

Pansophia ACADEMY

March 8, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for Pansophia Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Jamie Mueller for assistance.

The AER is available for you to review electronically by visiting the following website [Combined Report](#), or you may review a copy in the main office at your child's school.

For the 2017-18 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

* Note TSI and ATS definitions were changed for the 2018-19 school year per federal requirements. The new definitions are:

TSI – The school has at least one subgroup performing in the bottom 25% within each applicable accountability index component.

ATS – The school has met the criteria for TSI identification and has at least one subgroup performing at the same level as a CSI school.

Our school has not been given one of these labels.

As shown in the AER report, our school tested low in the areas of math and reading. We have developed an expanded block of time for elementary students to participate in literacy instruction, which includes targeted intervention time using Fountas and Pinnell intervention resources. Reading and math opportunities have been expanded for our secondary students. Middle School students will now have 2 math and 2 reading experiences during the day. There was a curriculum re-alignment at the elementary level where the adoption of new curricular materials was implemented. The continued focus and

encouragement for the kids to attend our summer school program will also assist in the improvement of all subject areas. Our summer school experience now includes a Kindergarten Jump Start Program that occurs in late August. As outlined in the SIP report, large focus is also being placed on professional development and continued training for our teachers.

State law requires that we also report additional information.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

Early in the school year, Pansophia Academy has a designated time period for open enrollment. New families must enroll their child(ren) on or before the last day of the annual open enrollment period to ensure their child's placement in the Academy – OR – to ensure their child's placement on the waiting list if there are more students that want to enroll in the Academy than there are available seats.

Prior to the open enrollment period each year, all current Pansophia Academy students must re-enroll to attend the Academy the next year. During this period, siblings of current students not previously enrolled are allowed to enroll when and where space/seats permit.

The open enrollment period is announced to the public at the beginning of each year. For more information about the annual open enrollment procedures at Pansophia Academy, please contact an administrative assistant in the front office.

New students under the age of eighteen years old must be enrolled by their parent or legal guardian. Prior to enrolling, parents are strongly encouraged to participate in a guided tour of the Academy to obtain detailed information and ask questions. Upon acceptance, parents / guardians must provide copies of the following:

- a. Birth Certificate
- b. Proof of Residency
- c. Immunization Records

Homeless students who meet the Federal definition of homeless may enroll in the Academy. Such students will be under the direction of the Academy's Liaison for Homeless Children with regard to enrollment procedures.

A student who has been suspended or expelled by another public school may be denied admission to Pansophia Academy pending a review of the records. Prior to denying admission, the Principal will facilitate a thorough review, including an opportunity for a discussion between the parents and the Principal regarding the circumstances of the suspension or expulsion and any other factors the Principal determines to be relevant.

2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

This SIP Team continues to meet monthly to monitor the status of the goals set in the plan. Pansophia is currently making progress towards all of its content goals and continues to improve upon all research-based strategies.

The curriculum at Pansophia Academy is correlated to the National Common Core. It is continually evaluated and evolving.
