Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for Pansophia Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Ryan Tomlinson for assistance.

The AER is available for you to review electronically by visiting the following website https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-S,10089,1460,68, or you may review a copy in the main office at your child's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

As shown in the AER report, our school tested low in the areas of math and reading. We have developed an expanded block of time for elementary students to participate in literacy instruction, which includes targeted intervention time using Fountas and Pinnell intervention and literacy essential resources. We have purchased EduClimber tool to support our MTSS processes for identifying students,

providing intervention, and exiting students. Reading and math opportunities have been expanded for our secondary students. Middle School students now have decreased class sizes for all core content classes. We are in year three of our curriculum re-alignment at the elementary level. The continued focus and encouragement for the kids to attend our summer school program will also assist in the improvement of all subject areas. Our summer school experience includes a Kindergarten Jump Start Program that occurs in mid-August. As outlined in the SIP report, a large focus is also being placed on professional development and continued training for our teachers. We have also increased our EL Supports, adding two additional EL Teachers and increasing EL intervention contact time.

State law requires that we also report additional information.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

Early in the school year, Pansophia Academy has a designated time period for open enrollment. New families must enroll their child(ren) on or before the last day of the annual open enrollment period to ensure their child's placement in the Academy – OR – to ensure their child's placement on the waiting list if there are more students that want to enroll in the Academy than there are available seats.

Prior to the open enrollment period each year, all current Pansophia Academy students must re-enroll to attend the Academy the next year. During this period, siblings of current students not previously enrolled are allowed to enroll when and where space/seats permit.

The open enrollment period is announced to the public at the beginning of each year. For more information about the annual open enrollment procedures at Pansophia Academy, please contact an administrative assistant in the front office.

New students under the age of eighteen years old must be enrolled by their parent or legal guardian. Prior to enrolling, parents are strongly encouraged to participate in a guided tour of the Academy to obtain detailed information and ask questions. Upon acceptance, parents / guardians must provide copies of the following:

- Birth Certificate
- Proof of Residency
- Immunization Records

Homeless students who meet the Federal definition of homeless may enroll in the Academy. Such students will be under the direction of the Academy's Liaison for Homeless Children with regard to enrollment procedures.

A student who has been suspended or expelled by another public school may be denied admission to Pansophia Academy pending a review of the records. Prior to denying admission, the Principal will facilitate a thorough review, including an opportunity for a discussion between the parents and the

Principal regarding the circumstances of the suspension or expulsion and any other factors the Principal determines to be relevant.

2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

This SIP Team continues to meet regularly to monitor the status of the goals set in the plan. Pansophia is currently making progress towards all of its content goals and continues to improve upon all research-based strategies.

The following goals are listed in the School Improvement Plan:

1. **Improve ELA NWEA Growth Percentile:** Our goal is to provide instructional opportunities, in order to meet the educational goal of the median of student growth percentiles (MGP) reflecting fall-to-spring scaled score of 50th percentile growth on the reading NWEA MAP test by Spring 2024.
2. **Improve Math NWEA Growth Percentile:** Our goal is to strategically implement math instruction and supplemental programs aligned to the learning continuum in order to improve the Math NWEA growth percentile scores by 23% by 2024.
3. **Improve Outcomes for "At-Risk" Students:** Our goal is to fine tune programs and supports for "at-risk" students in order to improve ELL WIDA Progress by 30%, NWEA Growth percentile scores by 12%, and the graduation rate by 50% by 2024.

3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL

At this time, Pansophia Academy does not offer any specialized schools.

4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

A digital or hard copy of the core curriculum offered can be obtained through the main office or by calling, (517) 279-4686 for assistance.

The curriculum at Pansophia Academy is correlated to the National Common Core. It is continually evaluated and evolving. Teachers work together to evaluate the curriculum at the end of each school year, and develop the curriculum at the beginning of the following school year. The curriculum is implemented in the classroom through direct instruction, small group instruction, group projects, and hands-on experiences.

5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

In addition to M-STEP testing on our upper campus, the Academy uses the Northwest Evaluation Association (NWEA) assessment to assess student achievement in K-8th grade. Students also receive formal classroom assessments, such as a comprehensive math assessment and spelling inventories, as well as i-Ready Diagnostic Assessments. The following data is related to the percent of students meeting our NWEA measurements in grades Kindergarten-Grade 8.

We are the only school in Branch County that fosters family and community relationships from the first day of kindergarten to senior graduation and beyond. We are going to be the premier community school in Branch County By 2027 because we believe all students deserve a school that recognizes their potential, meets their needs, and nurtures their pursuit of excellence.

As we continue with the 2023-2024 school year, I am encouraged with the direction our school is going. In the past three years, we have worked diligently on improving our student achievement.
